If only I can make him understand.
I just don't see things the way he does.
Maybe they're right. Maybe there is something wrong with me.
I just don't see how a world that makes such wonderful things could be bad.
Part of Your World
Ariel - Voyage of the Little Mermaid

What would I give if I could live out of these waters?

What would I pay to spend a day warm on the sand?

Bet-cha on land they understand, but they don't reprimand the
daughters, bright young women, sick of swimmin', ready to

stand and ready to know what the people know,
as 'em my questions and get some answers. What's a fire and
why does it, what's the word, burn? I don't know when, I don't know how, but I know something's starting right now.

Out of the sea, wish I could be, part of your world.
